## **TASIMO Public Fund is**

a symbol of trust and inspiration for the youth —  
a noble investment in our society's future

## **TASIMO's Values and Goals:**

**1**

To nurture talented, creative, and spiritually mature youth — true patriots — through education, science, and culture

---

**2**

To introduce global best practices into Uzbekistan's educational system through social, scientific, and cultural initiatives

---

**3**

To contribute to scientific progress, educational excellence, and youth achievement

---

**4**

To create vast opportunities for the young people shaping Uzbekistan's future and help them gain global recognition

---

**5**

To harness the expertise of seasoned professionals for society's future development.

**TASIMO – We give wings to  
the youth on the path of science,  
progress, and growth!**
